Leaders Descend on Las Vegas

Healdsburg, CA—“Las Vegas may be known for being a playground for adults, however in January it will be a place for powerful leadership training. We are delighted to announce that our highly acclaimed leadership training, *Leadership Source*, will be held in Las Vegas, January 14-15, 2011. This city is known for gambling and good times, but behind the scenes, it’s also a destination for leaders who want to make positive changes in the world. *Source Point Training* is part of that change, so Las Vegas is where we wanted to be,” says Barbara Fagan, co-founder and president of *Source Point Training*, a leadership and coach training organization.

“We’ve been training leaders within corporations, associations and other organizations for over 20 years. We have many graduates from our trainings whose lives and businesses dramatically changed as a result of doing leadership training,” Fagan continues. *Source Point Training’s* program, *Leadership Source*, provides ten-weeks, plus two live weekends of powerful training and individual coaching. The next training will be in Toronto, Canada, beginning April 9-10, 2011.

“Leadership training has a lot of different formats, venues and costs, and we’ve designed *Leadership Source* to be highly effective for a low cost. Our training has been developed and refined over 20 years, and is also approved by the International Coach Federation for 60 hours of CCE Units,” says Kelly Mobeck, Director of *Leadership Source*. “Our program includes one-on-one coaching with a *Certified Performance Coach* for ten weeks. Company CEOs and other professionals are very impressed with the results they get,” she adds.

Source Point Training’s Leadership Source begins with a two-day weekend where goals are declared and leadership principles are explored. Over the next ten weeks, leadership coaches work one-on-one to align with the participant’s agenda and goals. At the end of the ten weeks, participants return for a second two-day weekend to review the results.

Leadership Source will be held January 14-15 and March 12-13, in Las Vegas, at the Embassy Suites, 4315 Swenson Street, Las Vegas. Tuition is \$1800 inclusive of training, workbooks and coaching. “If we want to see needed changes in our world and community, then we must develop leaders that are willing to stand for what they believe in, and not sit down until they see the needed results. That is the kind of leader that comes out of our *Leadership Source* training. They learn how to create results; bottom line, no excuses. Our world needs more leaders like that,” adds Fagan.
